

THE LAKE, STATION

GROUP TRAVEL PRODUCT SHEET

PRODUCT DESCRIPTION

Discover The Lake Quilpie, a beautiful natural expanse of water set amongst shady gum trees. Seasonally, an impressive display of water lilies eloquently frames the banks in the shallow water. Native birds flock to this lush oasis, taking pride of place on a 2,500 acre sheep and cattle property that was originally surveyed in the late 1800s. Owners Dan and Louise Hoch have owned the property for the last four years running Merino sheep and Droughtmaster cattle. You're invited to join them for stories, sunset drinks by The Lake and a hearty camp oven dinner.

Facilities: Coach Parking; Toilets; Bar; Group catering for group camp oven dinners
