

# SCENIC RIM FARM SHOP & CAFE

## GROUP TRAVEL PRODUCT SHEET

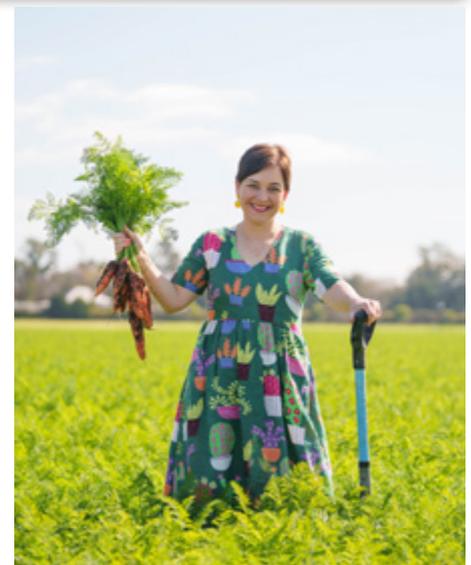

### PRODUCT DESCRIPTION

Surrounded by working farms, the Scenic Rim Farm Shop & Cafe sits nestled under majestic Jacaranda trees. It is run by vegetable farmers Ed and Gen Windley along with their sons Harry and Griff. Complementing their neighbouring vegetable farm, the Farm Shop & Cafe stocks a range of fresh and gourmet local products. On the menu from in house chef and food ambassador Kate Raymont, you'll find honest, house-made food that's flavorful, delicious and packed with local ingredients.

Groups will be greeted and hosted by Gen, who will happily share the property's interesting history. Your group will enjoy morning tea, lunch or afternoon tea under the shade of the magnificent Jacarandas, where you can't help but relax and take in the serenity. If you're lucky, one of the resident Koalas or many birds will make an appearance. Enquire about an added Farm Walk where Gen will take you to a nearby paddock - guests may pick their own produce and learn about modern vegetable farming in the district.

**Facilities:** Coach Parking; Restrooms; Gift Shop; Cafe; Wheelchair Access with assistance
