- ◆ The towering rockface becomes a spectacular canvas for our 'Spirit of Evolution' video; a 6-minute production described by many as transformative.
- ◆ Gather each evening on the Sunset Deck to witness nature's twilight palette of fiery hues and golden tones while savouring premium champagne and canapés.

*Escape* the ordinary! Unwind and refocus at Rangelands Outback Camp – just the tonic for your next executive team meeting or intimate group event. Bathed in style, our exclusive access tented camp operates off grid, and is thoughtfully designed to blend with our unique outback environment. Perched atop a magnificent mesa (ridge), each luxury tent delivers breathtaking views of the spectacular 'dinosaur country' below.

## Accommodation

Our six supersized bell tents feature luxury king-split beds, huge ensuites with rainwater shower, large private decks and gorgeous designer touches throughout. Tents are well-spaced along the ridge ensuring privacy and exclusivity. Expect a warm welcome and second-to-none, personal attention from our dedicated onsite hosts who take exceptional pride in delivering the very best guest experience.

## Dining/Lounge Tent

Resembling an impressive flowing 'canvas palace,' The Mahal beckons guests to come together and dine on gourmet meals, freshly prepared by our experienced resident chef. Our bar is stocked with premium wine, beers and non-alcoholic beverages. Relax with your preferred beverage after dinner in the welcoming lounge area or take in the starry night sky from The Mahal's expansive deck and crackling fire pit.
